

Avoiding Sexual Harassment & Bullying Course Building Respect & Accountability at Sea

What's Covered?

- SASH awareness & misconduct prevention
- Bullying & prohibited behavior control
- Reporting duties & leadership accountability

Secure Your Session

A Safer Maritime Workplace

Strengthen workplace integrity and protect operational performance across your fleet. Key focus areas include:

-  Harassment & bullying prevention
-  Zero-tolerance enforcement
-  Reporting & response

Security responsibilities are evolving.
Be ready before enforcement catches up!

Why It Matters

Unresolved misconduct harms cohesion and reputation.

This course (mandatory from the 1st of January 2026) equips participants to recognize issues, respond appropriately, and promote respect onboard and ashore.
